Risk Management

Risk Management would like to remind anyone who drives on behalf of the University (golf carts too) to renew their MVLRC for the new fiscal year.

The fair is an opportunity for faculty and staff to meet account representatives from preferred vendors. Complimentary light lunch items, attendance prizes and product demonstrations will be included throughout the event.

Attendees are encouraged to bring business cards.

Please contact Andrew Chism at andrewchism@slu.edu or 977- 6890 with questions.
