**Schwab Learning, 2003)**

We are defining \_\_\_\_\_ as a teacher candidate and a Cooperating Teacher working together with groups of students and sharing the delivery of instruction and physical space 3QG U . Many elements influence the success of the p

## **What are the seven approaches to co-teaching?**

1 ***One Teach, One Observe*** – The key is to focus the observation. The co-teaching pair determines which specific behaviors to observe. It is important to remember that either the Cooperating Teacher or t
