

An *Army leader* is anyone who by virtue of assumed role or assigned responsibility inspires and influences people to accomplish organizational goals. Army leaders motivate people both inside and outside the chain of command to pursue actions, focus thinking and shape decisions for the greater good of the organization.
ADP 6-22 Army Leadership

Army ROTC is an elective curriculum you take along with your required nursing classes. It prepares you with the tools, training and experiences that will help you succeed in any healthcare environment. Along with great leadership training, Army ROTC can pay for your college tuition, too, provided you meet certain requirements. You will have a normal college student experience like everyone else on campus, but when you graduate, you will be an Officer in the United States Army, Army National Guard, or Army Reserves.

Army ROTC prepares nursing students to take on the role of clinical staff nurses in any of our various Army Medical 4(i)5 TJET@.0000

Army Nursing- The ROTC Edge
Leadership with Compassion

Graduate Education Opportunities

Two- year ROTC Nursing scholarships are available for Registered Nurses obtaining a graduate degree in specific nursing specialties and for second degree students, with no nursing background, in an entry-level program that awards a master of science in nursing (MSN). To obtain information about the approved areas of study and ROTC opportunities, contact our Army ROTC Enrollment Officer or one of our two Nurse Gold Bar Recruiters.

Specialized Nursing Opportunities

Earning your BSN is an achievement for which you can be proud. Since nursing is a dynamic profession, your skills and professional knowledge must be constantly updated. The Army Nurse

ARMY NURSE vs. CIVILIAN PROFESSIONAL
